Meeting opened with the pledge of allegiance

Position of Town Clerk/ Tax Collector/ Treasurer

Kristy Crawford read the email provided by MMA Legal (see attached) about changing an elected official to an appointed official. A motion was made by John to accept the article as suggested by MMA Legal. Seconded by Foster, All in Favor. *To see if the Town will vote to change the position of Town Clerk/Tax Collector/ Treasurer from an elected position to an appointed position with a term of 3 years, said change to become effective at the March Town meeting, and to authorize the select board to appoint a qualified individual.*

The selectmen asked Kristy if she could contact MMA legal and get clarity on paying an appointed person instead of elected. She said she would contact them Tuesday.

Gravel Roads

John Knowles read the article the selectmen worked on at the previous work session on 11/9/2022. *Does the Town want to create a long-term plan to upgrade and pave the town-maintained gravel roads.* Larry Hill presented the selectmen with a list of roads and cost figures (see attached) Discussion centered around whether the selectmen have the authority to make the decision as to what roads to pave without town input. It was decided, as Selectmen and as Road Commissioners, they do. It was decided by consensus not to add a warrant article for the gravel roads and instead begin working on a plan to address the 2 miles of town-maintained gravel roads.

Kristy Crawford updated the Warrant and printed it. A motion was made by Foster and seconded by John. All in Favor.

Motion made to adjourn at 6:30 pm
